Explanation of columns:

ClassID	A randomly generated class/section specific number
% Possible	Your current grade out of 100, can be compared to a standard grading scale. It can be above 100, but all grading in class is based on the standard scale. (60/70/80/90)

Needed For:	These columns are the average you need (after adjustment) from here on out to get the specified letter grade.
